

MICHAEL JORDAN FIELDS QUESTIONS  
ABOUT HIS STRUGGLES ON THE DIAMOND

**A NEW** AND HIS POTENTIAL  
RETURN TO THE NBA  
BY RICK WEINBERG

# BALL GAME

He looks out of place, out of his element. His 6-foot-6 frame on the baseball diamond is a dead giveaway for the profession he was made for.

But more and more, the greatest basketball player the world has ever seen feels as if he *belongs* on the baseball field. What many originally thought was a joke is becoming more serious as time passes.

It's become evident that this is no short sabbatical from winning more NBA championships and scoring titles. For Michael Jordan, it's another challenge to meet.
